ENTRY OF DEFAULT

Pending is Plaintiff's Request for Entry of Default Pursuant to Rule 55(a) of the Federal Rules of Civil Procedure (FRCP) against Defendant (Docket Entry No. 9).

A review of the record reveals that Defendant was served on November 12, 2007, and that since being served Defendant has failed to answer. Defendant appeared in the case and filed a motion to extend the time in which to answer (Docket Entry No. 5), which was granted. However the time as extended has passed and still no answer has been filed. Entry of Default against Defendant is therefore appropriate.

Accordingly, for the reasons stated above, the Clerk hereby enters default pursuant to FRCP 55(a) against Defendant Columbia Mechanical, Inc. This is an entry of default only. No default judgment will be granted except upon further motion pursuant to FRCP 55(b).
